Tuition fees

The balance for courses is payable no later than one week prior to the start date.

Refund policy

We are certain that you will enjoy your time with us and that a refund will be the last thing on your mind but we appreciate that circumstances can occur that are unavoidable. In such circumstances we are glad to grant you a period of 7 days from the start date of your course to allow you to cancel your course and get a refund of your fees minus the cost of registration and the cost of the tuition you have received within in this 7 day period. After this 7 day period, tuition fees are non-refundable as places on the course are exhausted. This refund policy covers fees that are paid in advance of the course start date. Where fees are paid in advance and a refund is requested, fees will be refunded during the first month after the 14th day of the course has elapsed. Refunds are not available for 1 day courses or single weekend courses.

Data protection

Percussity will never intentionally share your details with any other party without your formal consent.

Course cancellation

In the event that we need to cancel a course, we will offer you a mutually agreed alternative or if such an alternative cannot be found, all fees including the registration fee will be returned to you in full.
